

It's time to CELEBRATE!

eXit SPACE will be expanding into a third unit within our current building. Over the course of the summer, we will be adding a 3rd larger studio, a front desk/central check in area, pilates room, and more!

We are so thankful to all of our dancers and their families for their years of support. We are proud to offer you more classes and styles, an array of conditioning classes, better facilities, and integrated reception services.
